Cancellation, transfer of entry, modification, force majeure

Cancellation is only possible by email at ttt.versenyek@gmail.com until 20:00 on May 13, 2024. (In case of cancellation, please provide the invoice number received and the bank account number to which the entry fee will be returned.)

Entries can only be submitted by email at ttt.versenyek@gmail.com until 20:00 on May 13, 2024. The person canceling the entry must declare the handover in a letter to the above email address, so that it contains the transferee's data required for registration. It is forbidden to transfer the entry and start number without changing the registration.

Distance and category changes can only be made by email at ttt.versenyek@gmail.com until May 13, 2024 at 20:00. We ask that you pay the difference in the higher entry fee in cash on the spot, however, in the case of a lower fee difference, we cannot refund the difference.

Force majeure: in the event that the competition has to be canceled due to reasons beyond the control of the organizers (epidemic, natural disaster, decrees, etc.), the entry fee will be returned minus an administrative fee of HUF 1,000 - or the entry will be carried over to the next year. We will send you a timely notification and the consultation will take place at the above email address.

Race route

- Around Old Lake (*Tatai Öreg tó*), start and finish at the competition center.
- Half of the walkway around the lake is covered with asphalt, the other half is hard forest path. In rainy weather, loose muddy ground is also possible in places, and it is possible to run even in heavy rain.
- The level ascent is negligible.
- In the case of the 500 m and 2 km fun run and the 3.5 km distances, it starts in the direction of the castle and, turning at the appropriate turning point, running-in through the goal gates.
- For the other distances, the start goes in the other direction and the lake is to the right side of the runner all the way

refreshment points

- There are two refreshment points for runners per lap. One is at the finish line at the crossing point, the other is on the other side of the lake, at about 3.5 km
- The third point is installed at the finish line after the run-in, runners who run multiple laps cannot use it

Everyone can enter the competition at their own risk.
